Pertinent Statistics

- Research Awards (Based on the Department of the Principal Investigator)

<u>2011</u>	<u>2012</u>
\$ 1,136,158	\$ 1,095,425

5th highest in University

4th highest in University

North Carolina
Agricultural and Technical State University

www.ncat.edu | Explore. Discover. Become. 6

Pertinent Statistics

	<u>2011</u>	<u>2010</u>	<u>2008</u>	<u>2006</u>
First year retention	71.3	81.0		
4 year graduation rate			13.6	
6 year graduation rate				43.6

These rates are the lowest among the academic units, and an Office of Student Services has been created to address this situation through more effective coordination and outreach to students and faculty.

Goals and Aspirations

- Increase the numbers of students and student success rates in teacher education, especially among males.
- Initiate the Ph.D. program in Counseling Rehabilitation.
- Expand the Ph.D. program in Leadership Studies.
- Enhance a student culture of success and collaboration.
- Increase external funding support.
- Position the SOE to be recognized as a national leader in STEM education and diversity.
- Increase collaboration across academic units to create interdisciplinary research teams that will explore ways to enhance academic success among African Americans.

Highlights

- The national leader in graduating African American students in the areas of Leisure and Fitness Studies.
- The only HBCU participating in the Eduventures Learning Collaborative, to help SOEs address recruiting, accountability, and management challenges.
- The only HBCU selected to participate in the Hattie Strong Scholars Program, which includes a 10K award.
- Produced the two most recent Principal of the Year award winners in the Guilford County Schools.
- The first HBCU to host the ETS Invitational Conference for Minority Serving Institutions.
- Organizer of the nationally recognized Urban Education Institute (<http://uei.ncat.edu>)

Highlights

- The Memory Walk project has now been established. This project will allow alumni from all programs and schools to actively support the SOE and University fund-raising goals.
 - » The Friends of the School of Education will use this project to raise student scholarships, while also providing an opportunity for recognition and remembrance of alumni, friends, mentors, or other loved ones through the purchase of an inscribed brick which will be placed into the pathway.
- The SOE is actively partnering with Hispanics in Philanthropy, a North Carolina nonprofit advocacy group, to develop an outreach and recruitment effort to students of Hispanic descent, both in high school and in community colleges across the state.
