

OFFICE OF COUNSELING SERVICES

Dr. Vivian Barnette, Executive Director of Counseling Services, successfully completed, in its entirety the American Board of Professional Psychology (ABPP) specialty board certification in psychology. This certification attests to her excellence in meeting the advanced education, training, and professional standing established by the specialty, as well as examination designed to assess the competencies required to provide quality services. The mission of the American Board of Professional Psychology is to increase consumer protection through examination and certification of psychologists who demonstrate competence in approved specialty areas in professional psychology.
