III. **Safety on and off campus**

- Continue to follow-up with students alarming behaviors, and/or academic concerns
- Upgraded card reader system in Vanstory Hall.

IV. **Customer Service**

- Continue to provide service to residence as needed.

V. Outstanding and Productive Staff

- The staff continues to make meaningful connections with students, submit administrative work in a timely manner and set-up to assist and volunteer when available.

VI. Program Emphasis and Quality:

- The program has been focusing on Spring break transition and midterm grades, so programs for the month have aided students with achieving academic success for the remainder of the semesters. PMS have really been pushing Aggie Bucks as incentive.
- Staff continues to execute programs in the residence halls; last day of programming is Friday May 02, 2014.

VII. Effectiveness and Efficiency

Academic Enhancement and Enrichment Program

- We continue to be good stewards over our finances.
- With the exception of ABR, AEEP will not be spending any additional funds.

Housing Facilities Team

- We are presently working with other areas of the university planning summer projects designed to enhance and maintain our facilities

VIII. Economic and Community Development Impact of the University

- The Emergency Management will be working on a more effective emergency communication plan.
- The Professional Development Committee invited Akua Matherson to speak on new Academic Initiatives Impacting students
