

Housing and Residence Life

2014-2015 Campus Configuration Notes

- 3901 Revenue Capacity for 2014-15 from the current 3789
 1. Going back to the original configuration to help with the overflow at opening instead of using Parklane Hotel
 2. All of the LSGL (large singles) that were created will be converted back to doubles
 3. CON - Less singles available for Returners
PRO – More beds spaces and possibly more revenue
 4. 2051 beds for returners
 5. 1850 beds for new students

- Curtis Hall will return to an all-male traditional style facility

- Haley Hall will be filled last as an overflow due to the easy converting of gender by suite

- International students from China will be in Holland and Curtis
