What We Are Doing to Keep A&T Safe

- Increased foot patrol within campus buildings
- Engaging the university through community policing efforts
- Agency has necessary equipment to mitigate any crisis situation
- Advanced Law Enforcement Rapid Response Training (ALERRT)
 - two day intense training
 - annual refresher → Spring 2016
- National Incident Management Training (NIMS)
 - All first responders
- Crowd Management Training-Student Affairs Personnel
- Planning more table top exercises related to critical incidents
- Full scale exercise → Spring 2016
- Future Training for LEO's-Fair and Impartial Policing
- Research of Body Cameras

LiveSafe Mobile Safety Solutions

LiveSafe is a communication platform that facilitates discreet and risk-free bystander intervention by community members through information sharing with campus safety officials.

A campus safety app installed on iPhone and Android devices where students can report GPS-tagged information with added pictures, video, and audio clips.

Safety officials are able to respond to students via a Command Dashboard using a real-time two-way chat, or investigate further using the information submitted to officials.

Submit tips & info quickly and discreetly on suspicious activity, mental health concerns, and sexual assault. Tip submitters may choose to submit anonymously.

Help keep friends safe using SafeWalk - ask friends or family to virtually walk you to your final destination.

Request a SafeRide or other campus safety escort to ensure people get home safe.

Agency Relationships/MOU

Successful 2015 Homecoming

University Police established relationships with our university partners, community partners and law enforcement partners, which lead to a successful homecoming. There were no major incidents to report.
