Student Success at NC A&T

- I. Student Success Programs & Initiatives
- II. Student Success Targets
- III. The N.C. A&T Student Success Collaborative

Defining Student Success...

Student success is the accomplishment of favorable or desired student outcomes. These outcomes are typically indicated by:

- **Student Retention (Persistence)**

Registering for subsequent semester courses and passing these courses with a "C" or better!

- **Educational Attainment**

Engaging successfully with multiple experiences related to the academic program such as community service, study abroad, internships, and/or co-ops!

- **Academic Achievement**

Earning the degree!

- **Student Advancement**

Acceptance into graduate school and/or embarking upon a career!

- **Holistic Development**

Development of critical factors that greatly influence new students: academic skills, commitment, self-management and social support!

Student Success Programs & Initiatives

- 🕒 Holistic Assessment for Predicting Incoming "At Risk" Students
- 🕒 GradesFirst for Early Alert – 3 Progress Report Survey Deployments
- 🕒 Training and professional development for faculty advising
- 🕒 Preeminent Advising for First Year Students
